

**MEDWAY SCHOOL DEPARTMENT
ADMISSION TO ATHLETIC EVENTS**

NEPN/NSBA CODE: DFD

The Medway School Board understands that extra- and co-curricular activities are an integral part of supporting the whole student and building community pride.

Suggested donations will be solicited for entrance into basketball games. Student groups, as designated by the principal, will volunteer at the donation table. All proceeds made from entrance into the basketball games will be assigned to the student group volunteering at the donation table. Funds will then be deposited into the student activity account to support student activities, programs and other student needs.

If at any time donations are solicited for entrance into a school activity, the funds collected will be deposited into the student activity account for use toward student programs and needs.

A donation table and/or basket must be approved by administration at any school event.

Adopted: February 10, 2015
