

**MEDWAY SCHOOL BOARD POLICY  
STUDENT COMPUTER, INTERNET, ELECTRONIC DEVICE USE RULES**

These rules accompany Board policy IJNDB (Student Computer, Internet and Electronic Device Use and “Cyber Safety”). Each student is responsible for his/her actions and activities involving school unit computers (defined as including iPads, tablets, laptops and other electronic devices issued to students), electronic devices, networks, and Internet services, and for his/her computer files, passwords, and accounts.

These rules provide general guidance concerning the use of the school unit’s computers and examples of prohibited uses. The rules do not attempt to describe every possible prohibited activity by students. Students, parents, and school staff who have questions about whether a particular activity is prohibited are encouraged to contact the building principal or the Technology Coordinator.

**A. Acceptable Use**

The school unit’s computers, electronic devices, networks, and Internet services are provided for educational purposes and research consistent with the school unit’s educational mission, curriculum, and instructional goals.

All Board policies, school rules, and expectations concerning student conduct and communications apply when students are using computers or electronic devices, whether the use is on or off school property.

Students are also expected to comply with all specific instructions from school administrators, school staff or volunteers when using the school unit’s computers.

**B. Consequences for Violation of Computer Use Policy and Rules**

Compliance with the school unit’s policies and rules concerning computer use is mandatory. Students who violate these policies and rules may, after having been given the opportunity to respond to an alleged violation, have their computer privileges limited, suspended, or revoked. Such violations may also result in disciplinary action, referral to law enforcement, and or legal action.

The building principal shall have final authority to decide whether a student’s privileges will be limited, suspended or revoked based upon the circumstances of the particular case, the student’s prior disciplinary record, and any other relevant factors.

**C. Prohibited Uses**

Examples of unacceptable uses of school unit computers that are expressly prohibited include, but are not limited to, the following:

1. **Accessing or Posting Inappropriate Materials** – Accessing, submitting, posting, publishing, forwarding, downloading, scanning or displaying defamatory, abusive, obscene, vulgar, sexually explicit, sexually suggestive, threatening, discriminatory, harassing and/or illegal materials or engaging in “cyber bullying;”
2. **Illegal Activities** – Using the school unit’s computers, electronic devices, networks, and Internet services for any illegal activity or in violation of any

**MEDWAY SCHOOL BOARD POLICY  
STUDENT COMPUTER, INTERNET, ELECTRONIC DEVICE USE RULES**

Board policy or school rules. The school unit assumes no responsibility for illegal activities of students while using school computers;

3. **Violating Copyrights** – Copying, downloading or sharing any type of copyrighted materials (including music or films) without the owner’s permission (see Board policy/procedure EGAD – Copyright Compliance). The school unit assumes no responsibility for copyright violations by students;
4. **Copying Software** – Copying or downloading software without the express authorization of the Technology Coordinator. Unauthorized copying of software is illegal and may subject the copier to substantial civil and criminal penalties. The school unit assumes no responsibility for illegal software copying by students;
5. **Plagiarism** – Representing as one’s own work any materials obtained on the Internet (such as term papers, articles, music, etc.). When Internet sources are used in student work, the author, publisher, and website must be identified;
6. **Non-School-Related Uses** – Using the school unit’s computers, electronic devices, networks, and Internet services for any personal reasons not connected with the educational program or assignments;
7. **Misuse of Passwords/Unauthorized Access** – Sharing passwords, using other users’ passwords, and accessing or using other users’ accounts;
8. **Malicious Use/Vandalism** – Any malicious use, disruption or harm to the school unit’s computers, electronic devices, networks, and Internet services, including but not limited to hacking activities and creation/uploading of computer viruses; and
9. **Unauthorized Access to Blogs/Chat Rooms/Social Networking Sites** – Accessing blogs, chat rooms or social networking sites to which student access is prohibited.

**D. No Expectation of Privacy**

The school district’s computers remain under the control, custody, and supervision of the school unit at all times. Students have no expectation of privacy in their use of school computers, including email, stored files, and Internet access logs.

**E. Compensation for Losses, Costs, and/or Damages**

The student and his/her parents are responsible for compensating the school unit for any losses, costs, or damages incurred by the school unit for violations of Board policies and rules while the student is using school unit computers, including the cost of investigating such violations. The school unit assumes no responsibility for any unauthorized charges or costs incurred by a student while using school unit computers.

**F. Student Security**

**MEDWAY SCHOOL BOARD POLICY**  
**STUDENT COMPUTER, INTERNET, ELECTRONIC DEVICE USE RULES**

A student is not allowed to reveal his/her full name, address or telephone number, social security number, or other personal information on the Internet without prior permission from a teacher. Students should never agree to meet people they have contacted through the Internet without parental permission. Students should inform their teacher if they access information or messages that are dangerous, inappropriate, or make them uncomfortable in any way.

**G. System Security**

The security of the school unit's computers, electronic devices, networks, and Internet services is a high priority. Any student who identifies a security problem must notify his/her teacher immediately. The student shall not demonstrate the problem to others or access unauthorized material. Any user who attempts to breach system security, causes a breach of system security, or fails to report a system security problem shall be subject to disciplinary and/or legal action in addition to having his/her computer privileges limited, suspended, or revoked.

**H. Additional Rules for ELECTRONIC DEVICES Issued to Students**

1. Electronic devices may be loaned to students as an educational tool and are only authorized for use in completing school assignments.
2. Before an electronic device is issued to a student, the student must sign the school's "acceptable use" agreement, which can be found in the student/parent handbook. Parents are required to attend an informational meeting before a device will be issued to their child. Attendance will be documented by means of a "sign in" sheet. The meeting will orient parents to the goals and workings of the program, expectations for care of school-issued devices, Internet safety, and the school unit's rules in regard to use of this technology.
3. Students and their parents are responsible for the proper care of devices at all times, whether on or off school property, including costs associated with repairing or replacing the device.
4. Loss or theft of a device must be reported immediately to the Principal and, if stolen, to the local law enforcement authority as well.
5. The Board's policy and rules concerning computers, electronic devices, networks, and Internet services apply to use of electronic devices at any time or place, on or off school property. Students are responsible for obeying any additional rules concerning care of the device issued by school staff.
6. Violation of policies or rules governing the use of computers, or any careless use of a device may result in a student's device being confiscated and/or a student only being allowed to use the device under the direct supervision of school staff. The student will also be subject to disciplinary action for any violations of Board policies or school rules.

**MEDWAY SCHOOL BOARD POLICY  
STUDENT COMPUTER, INTERNET, ELECTRONIC DEVICE USE RULES**

7. Parents will be informed of their child's login password. Parents are responsible for supervising their child's use of the device and Internet access when in use at home.
8. The device may only be used by the student to whom it is assigned and by family members, to the extent permitted by the Maine Learning Technology Initiative (MLTI)-
9. Devices must be returned in acceptable working order at the end of the school year or whenever requested by school staff.

**ACKNOWLEDGEMENT**

The following acknowledgement statement will be placed in the student/parent handbook and will be signed, by both student and parent, before a device can be used:

“Both student and parent/ guardian have read and understands the Student Computer, Internet, and Electronic Devices and Internet Safety Use Policy and rules and agrees to comply with them. No student shall be allowed to use school computers, networks, Internet services, and other electronic devices until the student and parent/guardian have signed and returned this acknowledgement to the school.”
