Administrative Implementation Procedures

The superintendent will be responsible for the development and dissemination of appropriate regulations and procedures to implement relevant law, board policy and good practice which will include these basic components:

- a) Administrators will take appropriate action against any individual violating this policy, including, but not limited to, student discipline and/or action by law enforcement officials as appropriate.

Students who violate this policy may be expelled under the Title 20-A MRSA section 1001.9 (Amended in 1993) which provides that, if found necessary for the peace and usefulness of the school, a school board will expel any student:

1. who is deliberately disobedient or deliberately disorderly;
2. for infractions of violence;

- b) Administrators will confiscate any article described in this policy and, if appropriate, submit it to a suitable law enforcement agency.
- c) Principals may authorize inspections of student lockers, automobiles, clothing, purses, bags, backpacks and other personal belongings when there are reasonable grounds to suspect that the inspection will produce evidence that this policy has been violated.

Such regulations are also to include appropriate rules, sanctions and procedures regarding violence and/or use of weapons by employees, visitors, or other persons in addition to students.

Role of School Staff

School personnel will take appropriate action to secure the health and safety of students during any altercation involving violence and/or use of a weapon. With the objective of defusing potentially violent situations and student anger, school staff will receive training in recognition, prevention and responding to violence. Incidents are to be reported immediately to an appropriate administrator.

Alternative Conflict Resolution

To reduce potential violence in the schools, the superintendent will be responsible for developing procedures for implementing programs of information, prevention and intervention in violent circumstance. This may be accomplished through peer mediation, counseling, parent involvement, services of community agencies or other activities suitable to the school unit.
